Cancel	

Click done, then Join the Server and have fun!

Rules of the Server:

- 1. Be kind and respectful to other players
- 2. Don't destroy other players builds
- 3. Build as close to Spawn as you can
- 4. Avoid building or mining on other structures, they may have a barrier to avoid their destruction
- 5. If you build away from spawn, let a moderator know your coordinates so we can move your structure back towards spawn

Location - Coordinates

- 1. Spawn x: -249/ y: 65
